Principal’s Message

All school families are welcome to attend this important ceremony.

**School Routines**
School hours are 8.45 to 3.15 daily. A teacher is on duty from 8.45. We would ask that students do not arrive until 8.45 and are picked up promptly at 3.15 each day. We are currently trialing a different morning routine. All students should report to the bottom COLA from 8.45 each day. At 9.00am students in years 3-6 will move to the hall COLA. As you know we have an additional class this year, this change in
morning routine provides us with additional space for our students.

**P&C Working Bee**
This coming Saturday from 8-12 P&C has scheduled a working bee. Over the Christmas period the undergrowth has grown beautifully! Please come ready with your whipper snipper etc. We need to do some clearing behind the bottom car park and tennis court. If this wet weather continues, we will send a note home Friday if the working bee is cancelled.

**Invoices**
Invoices will be sent home this week. The invoice will include Class and School Resources – this includes, school readers, school books, photocopies, art supplies etc. i.e. materials used throughout the year. This is a mandatory payment for all students. The invoice also includes a School Contribution. While this is a voluntary payment, we hope all parents will pay this, as this money will be used to enrich our students learning with Maths kits, Science kits, Library Resources and sporting kits.

**Keira High School Induction**
Tomorrow I will accompany our school captains to Keira High School. They have been invited to attend the induction of the Keira High School captains. I know that Angus, Holly, Seb and Leila will represent our school proudly at this official function.

Have a good week
